Profile

Jonathan "Bridge" Wilson is a San Francisco based professional Production Sound Mixer who has been providing high-quality audio for mediums such as TV, film, documentaries, commercials, reality, corporate, promotional, online content and more since 2016. He has earned a BFA in Music Production & Sound Design for Visual Media from the Academy of Art University in 2017. Jonathan's professionalism, tenacity, and creativity is what makes him stand out from the rest of the sound community. His goal is simply to make sound, sound better. Jonathan also was a former Army Ranger who served in Afghanistan from 2010 - 2013. He also has lived in China for 2 years and did some sound work there as well.
